```

The diagram illustrates a transaction process between a **BUYER** and a **SELLER**. The process is shown as a sequence of messages between the two parties, with a large bracket on the right side indicating the overall transaction flow.

- Transaction (350):** A large double-headed arrow at the top, labeled **Transaction**, spans the entire interaction. It is associated with the number **350** at the top center.
- Offer (371):** A message arrow points from the **BUYER** to the **SELLER**, labeled **Offer**. It is associated with the number **371** on the left.
- Counter-Offer (372):** A message arrow points from the **SELLER** back to the **BUYER**, labeled **Counter-Offer**. It is associated with the number **372** on the left.
- Acceptance (373):** A message arrow points from the **BUYER** to the **SELLER**, labeled **Acceptance**. It is associated with the number **373** on the left.
- Payment (374):** A message arrow points from the **BUYER** to the **SELLER**, labeled **Payment**. It is associated with the number **374** on the left.
- Dispute (375):** A message arrow points from the **SELLER** back to the **BUYER**, labeled **Dispute**. It is associated with the number **375** on the left.
- Delivery (376):** A message arrow points from the **SELLER** back to the **BUYER**, labeled **Delivery**. It is associated with the number **376** on the left.

A large bracket on the right side, labeled **370**, groups the messages from **Offer** to **Delivery**.
